I just hate this yearly body checkup. And that Shweta always makes me wait.
Hello Mrs. Patel, how are you?
Hmm, I'd rather have my exam done by this guy. I wonder how it would be getting a examination done by a hot male doctor!
Just sit down for a few minutes.

Hi Doctor, time for my annual checkup.
Yes Mrs. Patel, please sit down
How have you been, how is Ashok?
Is that back pain you had a few months back still affecting you?
Oh, he has been busy. His job always keeps him away.
And I'm left alone, you know how it is!
No, doctor. I've been getting regular massages for that, so its good
Ok, why don't you go behind that curtain and change into the hospital gown. We'll begin your checkup then.

Damn, I love it when my patients don't close the curtain properly.
I've been dying to get a glimpse of her naked body from the moment she walked in the door.
Wow, her boobs are great, I wonder how they will taste in my mouth.
How I would love to suck on her nipples!

First I cup them from below and gently massage my boobs to see if I can feel anything different
Then I take my nipples in my fingers and gently squeeze them.
Man, this is so hot. I have to touch those boobs I just can't stop myself
No, no, Mrs Patel. That is all wrong
Looks like I'm going to have to show you how to do it right
